

FIRST CALL FOR PAPERS

MICAI-2018, 17th Mexican International Conference on Artificial Intelligence,
October 28 - November 3, 2018, Guadalajara, Jalisco, México

DEADLINES:

June 4, 2018: Draft abstract (expression of interest),

June 18, 2018: Full text

July 23, 2018: Notification of acceptance

August 12, 2018: Camera ready paper and registration fee payment

Conference WEB page: www.micai.org/2018

TOPICS: All areas of Artificial Intelligence, Soft Computing and Computational Intelligence

Workshops, Tutorials, Doctoral Consortium, Best Papers Awards.

KEYNOTES: to be announced world-class experts in AI, see the webpage.

PROCEEDINGS: Lecture Notes on Artificial Intelligence, Springer; IEEE CPS
Extended versions of selected papers will be proposed for Special Issues of JCR journals

WORKSHOPS: See the respective calls for papers.

VENUE AND TOURS: Guadalajara has both colonial style and modern architecture and many museums. Guadalajara is the “Silicon Valley of Mexico”, most business-friendly city with strongest economic potential in North America. It is the capital of Jalisco state where the authorized producers of Tequila are located. The participants of the conference can take the Tequila Distillery Tour.

CONFERENCE CHAIR:

Miguel González Mendoza (ITESM)

PROGRAM CHAIRS:

Ildar Batyrshin (CIC IPN),

María De Lourdes Martínez Villaseñor (UP),

Hiram Eredin Ponce Espinosa (UP)
